

## **Experience an Entirely Different Approach!**

The process of selecting a health benefit plan for your employees can be complicated, tedious and stressful. Benefit Advisors will help simplify the process and validate why you will receive the greatest value for your dollar. We are a Platinum ranked independent closed agency. Prestigious health insurance carriers such as United Healthcare and Blue Cross Blue Shield place us in the top 1% to 4% in the industry. This ranking gives our clients a big advantage!

## **Who Does Most of the Work?**

Let's face it, small business owners often end up doing it all. It's unfortunate but that's just the way it is. The question is if you could find a better way would you? Benefit Advisors offers many small companies like yours huge rewards and valuable financial solutions to help sustain the growth of your company at no additional cost. By offering a customized employee benefits plan that affordable, comprehensive and available you'll retain more quality employees and attract others as well.

Let Benefit Advisors design a plan and program that's right for you. For a free business health plan evaluation, call 888-479-0490 or [rstrickland@benefit-advisors.com](mailto:rstrickland@benefit-advisors.com).

Experience an entirely different approach to customer satisfaction!
